When in the afternoon works for you?

Hello –

I can do a phone call at 9:30 but I would need to be done by 9:50 which seems like it might be kind of tight. I'm available in the afternoon too. Additionally, I'm working extended hours right now so I am also available on Friday. Let me know what works –

Thank you,

Hi, [REDACTED] --

I spoke with [REDACTED] and [REDACTED] this morning about responding to this PRR. As you know, my husband Randy [REDACTED] will be helping me with the technical aspects of searching, and submitting to DFW, the emails on my personal computer that are responsive to the PRR, and we're ready to do it. We'd like to talk with you tomorrow morning to get your advice on going about this search and delivery. Are you available tomorrow morning at or after 9:30 to have a call? This will be a daunting task, but I'm aware of the need for speed, and we'd like to complete this work as soon as possible,

Melanie
